I will continue to be an active member of the Chamber and offer skills, input, and energy whenever possible.

I have deeply enjoyed my time serving the Chamber and working with so many incredible humans to align and bolster the economic vitality of Weaverville and greater Trinity County. Thank you!

I also want to take this opportunity to thank the past, present, and future board members for their service to our community and all the good work envisioned and accomplished. Your energy is of great importance to our business community and county residents.

Onward it goes!
